

# NIGERIA'S 36 STATES AND THE FCT

ECONOMIC, FISCAL, SECTORAL AND WELLBEING PROFILES

## **NIGERIA'S 36 STATES AND THE FCT**

ECONOMIC, FISCAL, SECTORAL AND WELLBEING PROFILES

Economic Associates (EA) is pleased to offer the 2011 Edition of its **NIGERIA'S 36 STATES AND THE FCT: ECONOMIC, FISCAL, SECTORAL AND WELLBEING PROFILES**. The report is now presented in three separate volumes: the **AT-A-GLANCE** report, which provides compelling comparative perspectives; the **A-Z** report, which presents analytical state-by-state profiles; and the **REGIONAL INSIGHTS** report, which provides comparative perspectives as well as analytical region-by-region profiles.

### **ABOUT THE AT-A-GLANCE REPORT**

The 130-page **AT-A-GLANCE** report provides a series of well researched at-a-glance tables, charts, and narratives, across economic, fiscal, sectoral, and wellbeing indicators on all the states and FCT.

### **ABOUT THE A-Z REPORT**

The 160-page **A-Z** report provides well-researched analytical state-by-state summaries of economic, fiscal and sectoral and wellbeing profiles with informative tables and charts and narratives

### **ABOUT THE REGIONAL INSIGHTS REPORT**

The 120-page **REGIONAL INSIGHTS** report provides a series of well researched at-a-glance tables, charts, and narratives, as well as analytical region-by-region summaries across economic, fiscal, sectoral, and wellbeing indicators on all regions in Nigeria.

### **FOR WHOM**

- Government officials who require comparative information about sectoral and overall growth targets they can realistically set, and the structural levers they can pull, to promote the place of their region's economies relative to others.
- Business executives who seek closer fit between their business strategies and regions' economic structures in their quest for inputs, sites, and other outlets across the country.

### **CONTENTS**

- Economic Endowments: Physical and human endowments of each region.
- Gross Products: Absolute and relative sizes of gross products of regions.
- Sectoral Profiles: Contribution of each of the 33 sectors to regions' economies
- Fiscal Profiles: Budget size, with breakdown on revenue and expenditure.
- Wellbeing Indicators: Narrow and broad measures of people's wellbeing.

**COST:** 500,000 NAIRA PER VOLUME
